

## Annette Bartlett Bio

Annette has been leading and helping people in a local church, movement of churches and community for over 30 years. For 22 of those years, she served as a senior leader of a multi-site church which also had a focus on community engagement

Annette is a mentor and supervisor with **Chaplaincy Australia**, a recognised supervisor with **AAOS** , and a part of **Australian Christian Mentoring Network**.

“I would love to, through my life experience and training help create a unique supervisory relationship that is characterized by trust, confidentiality, support and accountability that gives space and freedom for the person being supervised to explore issues arising from their practice or ministry.”
